

In Celebration of Disneyland's  
Original Date Nite  
Be Our Guest is Proud to  
announce Guest of Honor  
Jeanne Schanberger

*Jeanne Schanberger* wears many hats. She is a freelance writer, corporate lawyer, real estate broker and animal lover. She was one of the writers for *More Tales from Zorro*, interior illustrations by her husband Rubén Procopio. Some people are born into Disney families, but Jeanne Schanberger married into one.

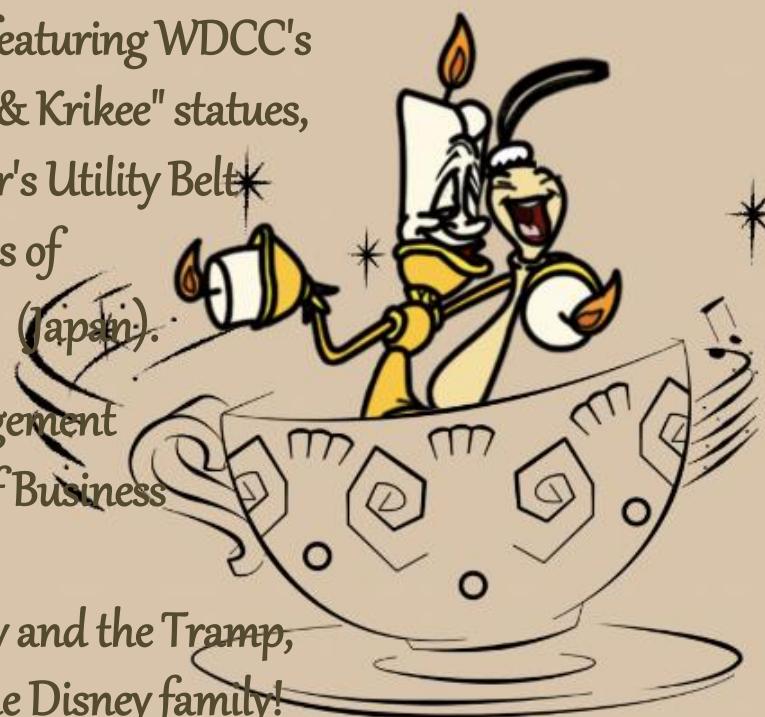

Wedded to multi-talented Disney artist Rubén Procopio after a chance meeting near the Disney Studios,

in 2008-2009 this lifelong corporate lawyer displayed her versatility as a freelance writer for the Walt Disney Classics Collection's *Sketches Magazine* and *Disney Dream Files (Japan)* publications.

Among her favorites were articles featuring WDCC's "Blossom Fairy" and "Grandma Fa & Krikee" statues, a prop profile of Buzz Lightyear's Utility Belt and character profiles of The Seven Dwarfs for DDF (Japan).

Jean also holds an Executive Management Certificate from the Anderson School of Business at UCLA

Just like in the Bella Notte scene in *Lady and the Tramp*, Jeanne found true love in Rubén and the Disney family!

for Date Nite will be !!**
